ADDENDUM #2 to Bid Packet for Concow Resilience Project, Phase 2

Units #5 and #6 have been dropped from the project as planting units. This reduces the overall area to be planted by 30 acres. The number of trees we would expect the contractor to plant, therefore, is proportionately reduced. (I.e., we will not try to fit more trees in on the remaining planting units). Other than the omission of units 5 and 6, the map in the bid packet remains the same.

Thank you for your attention.

Sincerely,
BCRCD
