

THE OFFICE OF ENVIRONMENTAL FARMING & INNOVATION

state water efficiency and enhancement program

Upgrade Your On-Farm Water & Energy Efficiency

Application Workshop

November 14, 2019, 2pm-4pm

150 Chuck Yeager Way, Oroville, CA 95965

Why? SWEEP is an opportunity for commercial agricultural water users to receive up to \$100,000 to improve on-farm water and energy efficiency.

- ◆ Determine if you are eligible to apply for funding
- ◆ Find out what type of projects you can apply for
- ◆ Learn about the project timeline and cost-share
- ◆ Receive step by step guidance for the application process
- ◆ Application period October 21st, 2019 – December 16th, 2019

To reserve your free space in the workshop, visit:
