Enclosed, please find a Request for Proposal to conduct an audit for the Butte County Resource Conservation District (BCRCD). The District is a special district within the county that works with landowners, non-profits, and government agencies to protect and enhance the natural resources and agriculture within the county. The District is independent, under local control and is governed by a Board of Directors comprised of local landowners. The District receives no regular funding from taxpayers; rather projects are funded through grants and contracts. You can find out more about BCRCD at www.bcrccd.org.

BCRCD is requesting auditing services for the time span of 2010-2020. The proposal deadline is 4:00PM on 15 September, 2019. See the RFP for additional information.
